Microsoft assumes no responsibility for any damage to your computer system that is occasioned by accessing the Microsoft website, entering the Sweepstakes, or using the Twitter community, or for any computer system, phone line, hardware, software, or program malfunctions, or other errors, failures, delayed computer transmissions, or network connections that are human or technical in nature. Without limiting the generality of the foregoing, Microsoft is not responsible for incomplete, illegible, misdirected, misprinted, late, lost, damaged, or stolen entries or prize notifications; or for lost, interrupted, inaccessible, or unavailable networks, servers, satellites, Internet service providers, video incompatibility, websites, or other connections; or for miscommunications, failed, jumbled, scrambled, delayed, or misdirected computer, telephone, or cable transmissions; or for any technical malfunctions, failures, difficulties, or other errors of any kind or nature; or for the incorrect or inaccurate capture of information; or for the failure to capture any information. By accepting a prize, you acknowledge that Microsoft has neither made, nor is in any manner responsible or liable for, any warranty, representation, or guarantee, express or implied, in fact or in law, relative to any prize, including but not limited to its quality, mechanical condition, or fitness for a particular purpose. You may be required to provide Microsoft with proof that you are the authorized account holder of the Twitter account associated with the winning entry. You will be required to sign a written affidavit/release confirming you are the authorized account holder in order to receive your prize if requested by Microsoft. If a dispute cannot be resolved to Microsoft’s satisfaction, the entry will be deemed ineligible and the potential winner will forfeit the prize. Microsoft reserves the right to modify, suspend, or terminate the Sweepstakes if, for any reason, the Sweepstakes is not capable of being executed as planned or if it determines, in its sole discretion, that the Sweepstakes is technically impaired or corrupted or that fraud or technical problems, failures or malfunctions, or other causes beyond Microsoft’s reasonable control have destroyed or severely undermined, or to any degree impaired, the integrity, administration, security, proper play, and/or feasibility of the Sweepstakes as contemplated herein. If the Sweepstakes is terminated before the designated end date, Microsoft will select the winners in a random drawing from all eligible, non-suspect entries received as of the date/time of termination. Inclusion in such drawing shall be each entrant’s sole and exclusive remedy under such circumstances. Only the type and quantity of prizes described in these Official Sweepstakes Rules will be awarded. The invalidity or unenforceability of any provision of these Official Sweepstakes Rules shall not affect the validity or enforceability of any other
provision. In the event that any provision is determined to be invalid or otherwise unenforceable or illegal, these Official Sweepstakes Rules shall otherwise remain in effect and shall be construed in accordance with their terms as if the invalid or illegal provision were not contained herein.

If someone cheats, or a virus, bug, bot, catastrophic event, or any other unforeseen or unexpected event that cannot be reasonably anticipated or controlled (also referred to as force majeure) affects the fairness and/or integrity of the Sweepstakes, Microsoft reserves the right to cancel, change, or suspend the Sweepstakes. This right is reserved whether the event is due to human or technical error. If a solution cannot be found to restore the integrity of the Sweepstakes, Microsoft reserves the right to select winners from among all eligible entries received before it had to cancel, change, or suspend the Sweepstakes. If you attempt to compromise, or Microsoft has a strong reason to believe that you have compromised, the integrity or the legitimate operation of the Sweepstakes by cheating, hacking, creating a bot or other automated program, or by committing fraud in ANY way, Microsoft may seek damages from you to the fullest extent permitted by law. Further, Microsoft may disqualify you and ban you from participating in any of its future sweepstakes, so please play fairly.
